

WRD750 Waveguide to coaxial transition fitted with an N type Connector

Catalogue number **QST-7.5-18-N**

Q-par reference **QMS-00346**

Contents **Summary**
VSWR

Typical photograph. Finish according to customer specifications.

Typical Specification

Frequency	7.5 to 18 GHz
Connector Type	N Type jack
Power Handling	500 W c.w. 5 kW peak.
VSWR	< 1.6:1
Weight	130 g nominal
Maximum Size	53 mm long
Mounting	2 holes, tapped M4, 24 mm centres
Construction	Aluminium and stainless steel, painted.
